Culpeper Triathlon Run Course_3.1 / 6.2 Miles

Sprint Run Course: Athletes follow the course to the Sprint turn around on Mountain Run Lane, then proceed back to the finish line.

International Run Course: Athletes follow the course to the International turnaround on Mountain Run Lane, this is further down than the Sprint turnaround. On returning to the park at 3.1 miles, you will turnaround to start your second loop of the course. Once you return to the park you will have run 6.0 miles, veer right across the levee to complete the 6.2 mile course.
